  - b. Two neighbors (edit out address) are having a problem with one of the neighbors on their street. Bill suggested several ways to approach the problem. Calling and reporting to the police or contacting the Department of Health Services to do a welfare check on one of the residents. Or even contacting Gustavo Martinez at the City Attorney's office to get a civil order through the Justice for Neighbors program.
  - c. Beware of neighborhood scams. Two males in their late 20's or 30s went to Lyle's house on the premise that they were doing work at the building behind his house and needed access. One went through his house while the other distracted him. Beware of anyone trying to gain access to your property.
