Dear Neighbors,

The Tahoe Park Neighborhood Association condemns the killing of George Floyd, Breonna Taylor, Ahmaud Arbery, Tony McDade, Riah Milton, Dominique “Rem’Mie” Fells, and Rayshard Brooks. We also remember Stephon Clark, Mikel McIntyre, and Joseph Mann. We stand in support of so many other members of the Black community who have suffered as the result of systemic discrimination in our nation. We add our voice to others who demand accountability and reforms to address the injustices in our society. Black Lives Matter.

We pledge to stand with the Black community. We also commit to building a more inclusive neighborhood where all residents feel safe, protected, and heard.
