

Dear Neighbor,

The mission of the Tahoe Park Neighborhood Association (TPNA) is to improve the quality of life in the Tahoe Park Neighborhood; to serve as a liaison between neighborhood and local government; and to provide a non-partisan forum for discussion of neighborhood concerns of mutual interest. One principal goal supporting this mission is our investment in the communities' future through scholarships.

In 2006, TPNA created a scholarship program for deserving senior students from Hiram Johnson High School who are accepted into a four-year college program. Since the program's inception, we have awarded over \$50,000 in scholarships to over 70 Hiram Johnson graduates. These scholarships are designed to recognize students who have not only been successful academically, but have also demonstrated their ability to overcome challenging socioeconomic circumstances. All of our scholarships are made possible thanks to the generous contributions from our community businesses, elected officials, and individual donors.

We are writing today with an opportunity for you to support these young students, as they invest in their education, and grow into future leaders in our community. This year, our goal is to raise \$4,000! By contributing to TPNA you will help a deserving high school senior get one step closer to achieving their educational goals and investing in their future.

All of these contributions will be put towards the TPNA scholarship fund, which will enable funding of a Hiram Johnson student's future.

Our TPNA sponsorships give you an opportunity to showcase your business and your generous support for higher education. Please take a moment to review the attached sponsorship package and secure your sponsorship by sending the completed form to the address located below.

We hope that we can count on you to help us make this year's scholarship goal possible!

Thank you in advance for your generosity.

With gratitude,
