Three trees are marked to be taken down. Thank you to some of our neighbors for watering and mulching some of the trees during this hot weather. We have a problem with people driving their vehicles up on the lawn with their trucks and staying for hours. Neighbors have complained to 311. The park enforcement has been seen just driving by and not addressing the issue. The next meeting will be on September 11, 2017 due to the holiday being on the first Monday of the month. Thanks Ellen Cochran and Monty Stowers for finding some more chairs for us to have in the TCC.

 - e. Land Use Committee – Conditional Use Permit or CUP with the Foundation seems to not be taken seriously by the City of Sacramento. The shuttle has not run since the spring semester.

Where is the summer shuttle? Where are the security guards? The Foundation is not being a good neighbor. The city is completely ignoring past violations. No director of planning currently which is not helping the situation.

- f. Family Swim Night will be August 19th 5:30 pm – 8:30 pm and will be a family friendly event . We will charge \$1.00 to get in. Melt Down Ice Cream truck will be there. We will have our annual raffle prizes. Jacob's Well is happy to donate a raffle item.
- g. Logo Committee – What makes a good logo? A sample survey was handed out to get feedback about what makes a great neighborhood. This process will help when launching the idea out to local artists to get ideas.
